31) The point for orders in this file is not the reorganisation of the Prisons Department, but the provision of a sum of Rs. 3,243 for the purpose of sanctioning such a reorganisation. ~~Before the reorganisation of the Jails of the Prisons Department.~~ I would suggest that the details of the reorganisation be left over for in view of the fact that, since the present reference was sent up, the Inspector General of Prisons has submitted proposals which involve the transfer of the Deputy Jailor of the Bangalore Central Jail from Bangalore to Mysore as Assistant Superintendent in charge of the Jail there, and the transfer also of the Jailor, Mysore Jail to the Bangalore Jail, and some other consequential arrangements, the net result of which is a reduction of ~~x~~ something like Rs.500 per annum. For the present, therefore, orders may be confined to the question of providing a sum of about Rs. 3,000 for the purpose of the reorganisation of the Prisons Department. The details will be separately worked up.

REVISION OF THE ESTABLISHMENT OF THE PRISONS DEPARTMENT.

*****

In November 1925, the Inspector General of Prisons submitted certain proposals for the revision of the establishment of the Prisons Department. The proposals comprised

(1) the revision of the pay of the existing staff at an additional cost of Rs.3243/- per annum.

(2) the transfer to the Prisons Department of the Police staff employed in all the taluk lockups.

No Money could be provided in the current year's budget for the revision and the Inspector General of Police did not agree to the transfer of the Police Staff to the Prisons Department. These proposals were, therefore, dropped.

In December last, the Inspector General of Prisons again urged the first question Viz., that the re-organisation of the existing staff may be taken up. Thereupon a sum of Rs.2500/- was ordered to be provided in the next year's budget for the revision.

The question for consideration is the re-organisation of the existing staff. An abstract of the revision proposals under the several heads and a copy of the proposition statement received from the Inspector General of Prisons are put up. The revision proposals may be considered under the following heads:-

1. Medical Establishment.
2. Executive Staff.
3. Jail Manufactures.
4. Clerical Establishment.
5. Miscellaneous.

1. MEDICAL ESTABLISHMENT:- There are two sub Assistant Surgeon ~~are~~ one for each of the Jails at Bangalore and Mysore. The Sub Assistant Surgeon, Bangalore Central Jail is getting an allowance of Rs. 100/- per annum in addition to his pay while the Sub Assistant Surgeon, Mysore Jail gets only an allowance of Rs. 70/- per annum. The proposal is to give them ~~Rs~~ monthly allowance of Rs. 20/- each. In connection with the appointment of a full time Superintendent for the Mysore Jail, Government have sanctioned an allowance of Rs.20/- per month to the Sub-Assistant Surgeon, Mysore Jail in lieu of the annual allowance of Rs. 70. The same concession may be shown to the Sub Assistant Surgeon of the Bangalore Central Jail also.

There is no compounder now for the Bangalore Central Jail. A Compounder on Rs. 15/- is now proposed. The Indian Jail Committee have recommended the appointment of Compounders. This may, therefore, be sanctioned.

2. EXECUTIVE STAFF:- (a)Jailors.

The proposals contemplate promotions to the Chief Jailor, Jailor and Deputy Jailors of the Bangalore Central Jail and the Mysore Jail.

The present pay of the Chief Jailor, Bangalore Central Jail is 175 in grade 150-5-175. He is getting an allowance of Rs.2 in addition. The Jailor, Mysore Jail, is drawing 125 in grade 100-5-125 and gets an allowance of Rs.25 in addition. The Deput Jailor, Bangalore Jail is getting Rs.87/8

Rs. 87/- plus an allowance of Rs. 20/-. The Deputy Jailor, Mysore Jail is now in grade 57-2½-77 and gets an allowance of Rs 20. In the proposition statement, the Inspector General of Prisons has proposed that the pay of the Chief Jailor should be raised to 200-10-250 and the pay of ~~the~~ officers as follows:-

Chief Jailor, B.C. Jail.	200-10-250.
Jailor, Mysore Jail.	150-10-200.
Deputy Jailor, B.C.Jail.	100-10-150.
--do-- ,Mysore Jail.	75-5-100.

In connection with the appointment of the full time Superintendent for the Mysore Jail, Government have ordered recently that the present Chief Jailor of the Bangalore Central Jail should be posted as the Superintendent, Mysore Jail and that the post of the Jailor, Mysore Jail, should be abolished and the present incumbent Mr.Wright should be transferred to Bangalore Central Jail as Chief Jailor, on 155 in the grade 150-5-175.

The pay of the Deputy Jailor, Bangalore Central Jail has been raised to 125 in grade 100-5-125. The revision proposed with regard to the Chief Jailor, Bangalore Central Jail, Jailor, Mysore Jailand Deputy Jailor, Bangalore Central Jail, need not, therefore, be considered. The only case for consideration is that of the Deputy Jailor, Mysore Jail. He is now in grade 57-2½-77. It is proposed to raise his pay to 75-5-100. This may be accepted.

(b) Warders Establishment:- Warders.

The proposal regarding Chief Warders, Deputy Chief Warders, Assistant Chief Warders, and Head Warders do not call for remarks.

The increase proposed for these officers ma
perhaps, be sanctioned.

With regard to Head-Warders, last grad
and Warders, permanent and temporary, the du
allowance of Rs. 2/- per month was sanction
to each of them in Government Order ~~No. 3296~~
..... in lieu of a minimum
increase of pay.

The proposal is to abolish these allow
ances as to increase their pay to same exte
This, therefore, will be no increase in the
case. The house rent allowance of Rs.3/-
was sanctioned to the following members of

Jail in Government Orders No. [illegible]

1 Dy Chief Warder
1 Asst Chief Warder

I have no objection to this proposal as approved, but there is one point on which I should like to know how many Managers has the S.S. got in his office. There is one for the Medical Dept., another I suppose, for the Sanitary Dept. & a third one for the Press. Is it really necessary to have so many Managers in the same office? I think it will be desirable to discuss this point with the S.S. (Dr.) before sanctioning these proposals.

This will be brought up at a monthly meeting.

FINANCIAL SECY. 12 NOV. 1927 No. 7190

I beg to invite reference to G.O. of 28th July (27) passing orders on my inspection report on the office of D. of Prisons - Flag. B.

A clerk on Rs 30 has been kept vacant.

In view of the decision to amalgamate the offices of V.S. & D.C. of Prisons and of the small volume of work to be dealt with by the latter as explained in my report, one hand may be immediately retrenched (besides the post of Manager, which will go after the retirement of the present incumbent).

I would suggest that in place the 2 hands - Record Keeper. 45-2-55 Statistical Clerk Despatcher. 20-2-

I submitted the file in question to the Gen. He agreed to the suggestion that instead of doing this, the post of the Statistical clerk and despatcher may be done away with. This involves the least interference with the proposals of the J.Cr. Subject :—

Revision of the establishments of the Prisons Department.

The question of the revision of the establishments of the Prisons Department has been engaging the attention of Government for some time past.

The Inspector General of Prisons submitted proposals in November 1925 for a general revision of the establishment of the Prisons Department at an additional cost of Rs.3,243 and proposed the transfer to the Prisons Department, of the Police staff employed in all Taluk Lockups. The Inspector General of Police was not agreeable to the latter proposal and no money could be provided in the budget of that year. Both the proposals were therefore dropped.

The Inspector General of Prisons again urged in December 1926 that the question of the reorganisation of the existing staff of the Prisons Department might be taken up. It was thereupon ordered that a sum of Rs.2,500 might be provided in the current year's budget for the purpose. According to the revised proposals sent by the Inspector General, the clerical branch of the Department will be separated from the executive, both as regards recruitment and promotions, and they are based on the principles enunciated by the Indian Jail Committee. It is proposed to sanction the reorganisation with certain modifications as indicated in the draft order.

It is proposed to amalgamate the offices of the Senior Surgeon and the Inspector General of Prisons, and to have one Manager for both the offices, the post of the Manager of the office of the Inspector General being abolished after the present incumbent retires. The revision involves an extra expenditure of Rs.1,737-5-4 per annum.

The proposed revision has been agreed to by the Dewan and the other Members of Council, and I solicit the gracious sanction of His

Dated, Bangalore 17th December 1926

The Inspector-General of prisons
in Mysore, Bangalore. Pris 40-27

The General Secretary to the Government
of Mysore, Bangalore.

With reference to the correspondence ending with your letter No. G. 2350/ Pris 24-25-8 dated 31st August 26, I have the honor to request that you will be so good as to move Government to be pleased to accord their sanction to the necessary provision being made in the Jail budget for the next year, for the revision of establishment as proposed in my letter No. 1192 dated the 29th September 1925, so far as they relate to the prisons proper.

I would once again beg to bring to the kind notice of Government that the salient principles of the recommendations made by the Indian Jail Committee of 1919-20 have remained unmaterialised, with the result that the present organisation stands condemned as out-of-date. I would therefore strongly urge that the question of the reorganisation of the department may be taken up and that permission may be accorded for the revision being forecasted in the next year's budget.

I have the honor to be,
Sir,
your most obedient servant

Inspector-General of Prisons.

Proceedings of the Government of
H.H.the Maharaja of Mysore.

The Inspector-General of
in Mysore,

The General Secretary to the Government o:
H.H. the Maharaja of Mysore, Bang:

THROUGH The Comptroller in Mysore, Bangalore.

Sir,

With reference to the correspondence ending with your letter No. G.12890/Pris. 45-26-3 dated 6th June 27 calling for the submission of a fresh proposition statement for the revision of Establishment of the Prisons Department, I have the honour to submit herewith a statement in duplicate limiting the additional cost involved to an aggregate sum of Rs. 2500/- per annum as instructed.

At this stage of correspondence, it is scarcely necessary for me to set forth in detail the occasion for or the objects aimed at by the proposed revision, which has already been done in my letter No. 1192/130-19 dated 29th October 1925

Much as the proposed scale falls short of that requirements of the Department, viewed relatively with the stationary conditions prevalent for the past thirty years.

A much desired improvement is the separation of the ministerial and executive appointments for purposes of preferment and of recruitment. The sixteen ministerial appointments in the Department have been suitably graded culminating in the scale of Rs. 100-5-125 for the highest appointment viz., Manager of the Central Office, so as to open up reasonable prospects of promotion to

I propose that the present incumbent who is holding
his appointment for the past twelve years and who is
most senior man in the Department in the grade of Deput
sailors may be started on Rs. 115-0-0 in the revised
scale. I request that the proposal may kindly be approved.

I may add that while actually giving effect to the
revision the men who have better aptitude for Executive work
but who happen for the time being to be borne on the clerical
staff will be finally transferred to the executive branch and
there will be no interchange thereafter between the two secti
of the Establishment.

I solicit sanction to these proposals with effect from
1st July 1927.

I have the honour to be,

Sir,

Your most obedient servant,

H. Williams

4. Correspondence ending with letter No. C.150/-130-19 dated the 19th July 1927 from the I.G. of Prisons in Mysore submittin proposals for the revision of the establishment of the Prisons Department.

Order No. G 7819-24 Dated 13th Jan 28

The question of the revision of th establishment of the Prisons Department has been engaging the attention of Governm... for some time. In the first G.O read above revision of a small portion of the establis ment was sanctioned resulting in a saving o

Rs.33 1/3 per month. In November 1925, the I.G. of Prisons submitted proposals for a general revision of the establishment of the Prisons Department at an additional cost of Rs.3,243/- He also proposed the transfer to the Prisons Department of the Police staff employed in all --the Taluk Lock-ups. As no money could be provided in the budget of that year for the revision and as no agreement could be reached about the transfer of the Police staff to the Prisons Department, both the proposals were dropped. In December last, the I.G. of Prisons again urged that the first question viz., the reorganisation of the existing staff of th Prisons Department may be taken up. Thereupon a sum of Rs.2,500/- was ordered to be provided in the current year's budget for this purpose and the I.G. of Prisons was requested to furnish revised proposals.

2. The I.G. of Prisons has now submitted revised proposals. The salient feature of these proposals is the separation of the clerical from the executive branch of the Department both as regards recruitment and promotion. The proposals involve an additional cost of Rs.2,387-5-4 per annum.

3. Government are pleased to sanction these proposals with the following modifications :--

(a) The I.G. of Prisons has proposed to appoint a Compounder to the Bangalore Central Jail on a pay of Rs.20-2-30. Government conside that the pay of the Compounder may be fixed on the same scale as in the Medical Department.

(b) The I.G. of Prisons has proposed that the pay of the Manager of his office may be fixed a Rs.100-5-125 and that he may be started on a pay of Rs.115/-. Government are not in favour

of this proposal. They think it is sufficien if the grade is fixed at Rs.75-5-100 and the present Manager given a pay of Rs.90/- in that grade. They further direct that the Office of the I.G. of Prisons should be amalg mated with the Office of the Senior Surgeon and the post of Manager of the Office of the I.G. of Prisons abolished. Effect will be given to this arrangement when the present incumbent retires.

(c) The I.G. of Prisons has proposed the appointment of a Statistical clerk and Despatcher on a pay of Rs.20-2-30 in place of the clerk on Rs.30, whose place has been kept vacant in accordance with G.O. No.G.971-Pris. 52-25-4 dated 28th July 1927 read abov Government observe that the work of the offic has been simplified by the introduction of th modified system of recording correspondence ordered in the G.O. referred to above. They therefore consider that there is no necessity to appoint a clerk for attending to statistic and despatching work.

4. The details of the establishment of the Prisons Department as revised in this order are given in the annexed statement. The net result of the revision now sanctioned will be an increase of Rs.1,737-5-4.

5. The revised scale will be given effect to from 1st July 1927.

2. Government Order No. G. 10658-9—Pris. 45-26-2, dated 31st March 1927, sanctioning an additional provision of Rs. 2,500 in the current year's budget of the Prisons Department to meet the cost of the revision of the establishment of the Department.

3. Government Order No. G. 971-3—Pris. 52-25-4, dated 28th July 1927, directing the introduction of the current and periodical registers in the Office of the Inspector-General of Prisons, with effect from 1st July 1927, and approving of the proposal of the Inspector-General of Prisons, to keep vacant for six months the place of the clerk on Rs. 30 in his Office.

4. Correspondence ending with letter No. C. 150—130-19, dated 19th July 1927, from the Inspector-General of Prisons in Mysore, submitting proposals for the revision of ths establishment of the Prisons Department.

ORDER NO. G. 7819-21—PRIS. 45-26-7, DATED 13TH JANUARY 1928.

The question of the revision of the establishment of the Prisons Department has been engaging the attention of Government for some time. In the first Government Order read above, the revision of a small portion of the establishment was sanctioned resulting in a saving of Rs. 33 1/3 per month. In November 1925, the Inspector-General of Prisons submitting proposals for a general revision of the establishment of the Prisons Department at an additional cost of Rs. 3,243. He also proposed the transfer to the Prisons Department of the Police Staff employed in all the Taluk Lock-ups. As no money could be provided in the budget of that year for the revision and as no agreement could be reached about the transfer of the Police Staff to the Prisons Department, both the proposals were dropped. In December last, the Inspector-General of Prisons again urged that the first question, *viz.*, the reorganisation of the existing staff of the Prisons Department may be taken up. Thereupon a sum of Rs. 2,500 was ordered to be provided in the current year's budget for this purpose and the Inspector-General of Prisons was requested to furnish revised proposals.

2. The Inspector-General of Prisons has now submitted revised proposals. The salient feature of these proposals is the separation of the clerical from the executive branch of the Department both as regards recruitment and promotion. The proposals involve an additional cost of Rs. 2,387-5-4 per annum.

3. Government are pleased to sanction these proposals with the following modifications:—

(*a*) The Inspector-General of Prisons has proposed to appoint a Compounder to the Bangalore Central Jail on a pay of Rs. 20—2—30. Government consider that the pay of the Compounder may be fixed on the same scale as in the Medical Department.

(*b*) The Inspector-General of Prisons has proposed that the pay of the Manager of his Office may be fixed at Rs. 100—5—125 and that he may be started on a pay of Rs. 115. Government are not in favour of this proposal. They think that it is sufficient if the grade is fixed at Rs. 75—5—100 and the present Manager given a pay of Rs. 90 in that grade. They further direct that the Office of the Inspector-General of Prisons should be amalgamated with the Office of the Senior Surgeon and the post of Manager of the Office of the Inspector-General of Prisons abolished. Effect will be given to this arrangement when the present incumbent retires.

(c) The Inspector General of Prisons has proposed the appointment of a Statistical rk and Despatcher on a pay of Rs. 20—2—30 in place of the Clerk on Rs. 30 whos ce has been kept vacant in accordance with Government Order No. G. 971-3-s. 52-25-4, dated 28th July 1927 read above. Government observe that the work o office has been simplified by the introduction of the modified system of recordin respondence ordered in the Government Order referred to above. They therefor sider that there is no necessity to appoint a clerk for attending to statistical an patching work.

4. The details of the establishment of the Prisons Department as revised in th ler are given in the annexed statement. The net result of the revision now sanctione l be an increase of Rs. 1,737-5-4.

5. The revised scale will be given effect to from 1st July 1927.
